MEN'S CONFERENCE

# IGNITION

Dear Friends,

I am pumped that the time has finally come for our 2010 Kingdom Men's Ignition Conference. This will be a blessed time with other brothers in Christ. Our men's group at Word of Life is committed to building Kingdom attitudes with a Kingdom focus in everything we do. We are called to shine our light in the workplace, in the home, as well as in the church. Our vision for this conference and all of our men's events is to create an environment of encouragement and accountability to God and each other.

We all have passions and dreams that the Lord has placed in us. It's time to reignite these things God has placed on your heart. I know this event will spark something inside of you that has been asleep for a long time.

Come and get fired up at this year's men's conference and let God provide you with the ignition needed in your life!

God Bless,

*Dave Shanosh*  
Director Kingdom Men's Ministry

## Jimmie Bratcher

### Keynote Speaker

Pastor, evangelist, author, singer, songwriter and guitarist, "The Rev" preaches in churches every Sunday, but on Saturday nights you'll find him sharing his amazing testimony and blistering guitar licks onstage in blues clubs and at music festivals, prisons and biker rallies.

"I was a wild kid, always running away and getting into trouble, doing drugs while playing the guitar with blues musicians," remembers Bratcher. "All I ever wanted to do was be a guitar player," he recalls, "but the substance abuse stole my dream."

At 22, Bratcher gave his life to the Lord and was healed of his addiction to drugs and alcohol. He became an ordained minister, and after five years on staff at one of the fastest growing churches in America he began writing music and singing again, weaving songs around his sermons during community outreaches. The audience response was phenomenal, and soon his speaking schedule was taking him to churches and performance venues across the U.S.

"I want to inspire as many people as possible and to point them to the reality of the love that God has for them," says Bratcher. "The blues is my most effective way to communicate." For more information about Jimmie, you can go to [www.jimmiebratcher.com](http://www.jimmiebratcher.com).

### Pastor David Carey

David Carey planted Word of Life Christian Center in Newark, Delaware, in 1987 along with his wife Nancy. They are founders of Word of Life School of Ministry and have together planted or assisted Bible Schools in several nations. David has oversight of churches in the United States as well as in the African nation of Tanzania. He is a member of the International Coalition of Apostles, on the advisory council of the Apostolic Council for Educational Accountability, and on the advisory council of the International Christian Wealth Builders Foundation. Pastor Carey has ministered in conferences and churches around the world as well as in the U.S. He has a heart to see the local church train and equip believers for their ministry of transforming the world around them.

### Pastor Chris Rue

Becoming active in ministry in 1992, Chris began pastoring teens and college students while at the University of Delaware and was ordained in 1995. In 2000 he officially came on as a pastor at Word of Life Christian Center in Newark, DE where he presently serves as an associate pastor and also as a member of the Word of Life Ministerial Fellowship, having ministered both nationally and internationally. He is a gifted evangelist, pastor, & teacher who has a strong vision to use the creative, prophetic power of the Holy Spirit to win the unchurched to Christ and see God's people nourished and equipped to transform their own lives and the world.
